

SIDMOUTH SCIENCE FESTIVAL

The Sidmouth Science Festival aims to raise awareness of the STEM subjects of Science, Technology, Engineering and Maths, to showcase how they affect our everyday lives, and to provide stimulating events for all age groups and all parts of our community

2017 FESTIVAL HIGHLIGHTS

- * Build and race a jet car
- * Launch and track a weather balloon
- * Have a bird's eye view of drone racing
- * Visit a brewery and winery
- * Challenge the local lifeboat to "tug-of-war"
- * See an observatory and planetarium in action
- * Attend a science-themed concert and art exhibition
- * Listen to loads of interesting science talks and question the experts
- * Walk the geology of the Jurassic Coast and be guided on a hunt for bats
- * Get up-close and hands-on with lots of fun science experiments
- * And much, much, more
