2019 SIDMOUTH SCIENCE FESTIVAL

Exciting curiosity in people to explore Science in their Lives

2019 FESTIVAL HIGHLIGHTS

✴ Build and race a jet car
✴ Get close to Emergency Service Vehicles and learn how science helps save lives safely
✴ Absorb the latest thinking of the implications of climate change on our Fragile Earth
✴ Explore the history of the colour blue in art
✴ Understand more about nature and how we may influence its future
✴ Enjoy over 1500 pieces of art work created by local schools especially for the festival
✴ Learn about science over a pint (or the drink of your choice)
✴ Discover more about gravity through the skill of juggling
✴ Listen to loads of interesting science talks and question the experts
✴ Walk the geology of the Jurassic Coast and experience a “Deep Time Walk”
✴ Visit a winery and the wastewater treatment works
✴ Launch a rocket, sample many other fun science experiments and much, much more!
